

Patient Reminder System Acknowledgement

In an effort to provide the highest quality patient care, Athletic Orthopedics & Knee Center (AOKC) is providing automated appointment reminders through text, email and phone if text or email is not available.

We understand how busy life can get. Our patient reminder system will notify you one week prior to your appointment. This gives you plenty of time to reschedule if necessary.

Additionally, through our appointment reminder system, we will be able to send you other important news on occasion. Your personal and health information is of utmost importance to us and is never provided to a third party.

Thank you for trusting AOKC to care for all your orthopedic needs.
